Sports & Outdoors	\$1.12M	\$255.03K	\$1.05M	\$250.69K	Margin Improvement Target

3. EXECUTIVE ACTION PLAN & INSIGHTS

Key Business Insights & Next Steps

- Prioritize Downtown Inventory:** Downtown branches generate over 50% of cumulative company profits (\$2.25M combined across 2025/2026). Prioritize restocking for Downtown to eliminate stockout risks on high-velocity items.
- Capitalize on High-Margin Categories:** Expand offerings in Electronics and Art & Crafts (top profit drivers in 2025 and 2026, respectively) with prime display placement in physical and digital channels.
- Margin Recovery Focus:** Profit margins compressed from 29.27% in 2025 to 26.20% in 2026. Review supplier costs and unit pricing for lower-margin categories like Sports & Outdoors to recover overall profitability.
